A DREAM COLLECTION

PAINT SETS

The ScaleColor Artist range is inspired by the plastic artist's palette. Different sets have been designed to paint all types of miniatures, from historical to fantasy. This extra-fine pigment creamy paint preserved in tube, is more resilient and has greater intensity, great coverage, easy application and control as well as a high versatility both in paintbrush and airbrush. All this makes it a unique product with an excellent finish.

BASIC COLORS

The essentials.
This first set contains 6
basic colors
to achieve all possible
combinations and
mixtures.

In addition, the drying
time has been increased
to facilitate color
transitions and fades.
